

RP Alba Ltd

Thank you very much for your contribution to the ICRP Free the Annals Initiative. The success of this initiative relies on the generosity of you and others like you who see the importance of making the recommendations of ICRP free to access for everyone, everywhere.

As a charity registered in the United Kingdom, donations to ICRP from UK taxpayers may take advantage of the UK Gift Aid programme. Outside the UK this donation receipt may help you take advantage of any incentives for charitable giving in your country. If you need a receipt with additional or different information, do not hesitate to contact me directly.

With thanks,

Kelsey Cloutier
